

# The Last Event of Real Importance!

By The Perley E. Pope Co. in the Corner Store

Great Removal Sale Lasting Ten Days --- Beginning Saturday, March 10th and Ending Wednesday, March 21

That we are to move into a large, finely appointed modern store we presume you are well aware. That it is actually necessary from increased business is a fact that we want you to know also. Now, to move means much undesirable work for us and to avoid as much as possible of this unpleasant task we have decided to finish the last days of our existence in the Corner Store with the greatest sale in Dry Goods the town has ever known.

Every article we sell from a Paper of Pins to a Finished Dress, but Coat's Spool Cotton and Moneybak Silks, which we are honor bound not to reduce the price, will be sold from 12 1-2 to 50 per cent discount. When you stop to think of it a store full of merchandise like ours at such discounts right at the threshold of the buying season, with only two things exempted, and the enormous saving it represents, this store should not be large enough to hold the crowds any one of the ten days of the sale. Listen to the "Owl's to hoot, to hoo," which means be wise and be early. It would take a month to mention every article and cover too much space for you to consider at once, but here's a thousand and one specially tempting in discount offered to save us moving.
